Subject: Personalize your BlackBerry smartphone with Ring Tones, Themes and AutoText

[Online version](#) | [Sign up for updates](#)

Hello,

Make your BlackBerry® smartphone truly your own. From wallpapers to ring tones and more, you'll find a few suggestions below on how to add your own touch to your device. PLUS, for more helpful tips, expert advice and ongoing updates, get on our exclusive list for the very latest from BlackBerry.

Ring Tones

Sure you can download ring tones of your favorite songs, but did you know that you can create your very own personal one?

Themes

Personalize your BlackBerry device by changing your wallpaper and the look of your icons. It's the fast and easy way to make it your own.

AutoText

BlackBerry AutoText lets you create your very own 'shortcut' language. So now you can communicate a lot, while typing very little.

Get on the list

Sign up today and you'll get the very latest tips, expert advice and ongoing updates from us.

Thank you for choosing BlackBerry services.
The BlackBerry Team at Research In Motion Limited

MSM0111

Always check with your service provider to determine costs that may be associated with downloading and using applications and themes.
